EXPERIENCE

Thieves essential oil blend has a warm, spicy scent. Diffuse it for a fresh, clean aroma around the house or apply it topically for its cleansing properties.

PRODUCT BACKGROUND

In France during the 15th century, thieves would sneak into graveyards to rob from the dead and dying. Legend says they protected themselves by creating a special aromatic combination composed of clove, rosemary, and other botanicals. Today, Thieves essential oil blend is inspired of those tales of old. Combining Clove, Cinnamon Bark, Lemon, Eucalyptus Radiata, and Rosemary essential oils, this blend is one of our most popular products. Use it with household cleaning products or diffuse it to freshen up a room.
